**THE CRUISE**

Our signature event is in its fifth year and growing. This almost all inclusive events are designed based on the theme of the traditional Jouvert, our guest wears a facemask, or paints their face and everyone is asked to wear a costume. (Not mandatory) cost is quite reasonable and includes a Caribbean catered meal. Adult beverage is available at an additional cost. Music is provided by a Dj and local rhythm section. Each guest is greeted with a Hawaiian Lei, and prizes, departing gift when available from our sponsors.

We set sail from Rowes Wharf Boston at about 9:00PM and return by 12:00AM. Parking is available at a reasonable cost. We urge our guest to get there early as there are plenty to see and do in the city. – Check out [MASSVACATION.com](http://MASSVACATION.com) for more information - tickets available here.
