Boston, MA (*Friday, July 19, 2013*) Boston Carnival Village announces its annual “Jouvert Boat Cruise Face Mask III”. Trinidad and Tobago Carnival is an annual event celebrated on the Monday and Tuesday before Ash Wednesday. A major component of carnival is Jouvert and it is also said to have been created in Trinidad. – Jouvert is a large street party that takes place at the break of dawn and many of the participants wear costumes depicting characters of the day, many designed by the masqueraders themselves. Music is typically provided by Steel bands also invented in Trinidad in the 1930.

Boston’s Trinidad style carnival follows those traditions and takes place on Saturday, August 24 at about 6:00AM. Boston Carnival Village is taking it a step further by launching its third annual “Jouvert Boat Cruise Face Mask III” based on these traditions.
